## MR. HULBERT'S RETIREMENT

The students and staff gathered on December 22, 2014, for a very special recognition of Mr. Hulbert and his years of faithful service. We would all like to express our sincere appreciation to Mr. Hulbert for all that he has done to serve our church and school. Mrs. Burns wrote this fun song that the teachers sang to Mr. Hulbert.

(To the tune of "Jingle Bells")

Dashing through the halls,  
With a broom and mop in hand  
Cleaning up the mess, He is quite the man.  
Carpets to be swept, Garbage to take out,  
He just goes about his job, We never see him pout!

Oh, jingling keys, jingling keys,  
"Please don't lock us out,"  
Teachers sprinting to their rooms,  
with one tremendous shout!

Sixteen blissful years, Oh the children he has known,  
Thanks for all the smiles,  
And love that you have shown,  
We thank you for your time,  
And the wisdom you have lent,  
Blessings on this major change,  
And HAPPY RETIREMENT!

Oh, jingling keys, jingling keys,  
"Please don't lock us out,"  
Teachers sprinting to their rooms,  
with one tremendous shout!

## RAINFOREST ANIMALS SHOW

We are also excited to announce that during the week prior to NLSW, Silo will be hosting a Rainforest Animals presentation. Wonders of the Rainforest will bring a show of live animals and will teach about the animals' unique characteristics and habitats. Parents and other siblings are invited to join us for this presentation on Wednesday, January 21, 1:00 p.m.

## ATHLETICS

January begins the season of basketball tournaments. The athletes are working hard at improving their skills. We hope you have the opportunity to help support the Crusaders at one of their basketball games this season! It's been fun to see many new faces attend games as we now have adequate seating for our guests!
