### August 2013

#### School Preparation

While our students and families are enjoying one more month of summer vacation, our teachers will be busy preparing for the upcoming school year. In fact, much work goes into school all summer long. Teachers are looking for new ideas to improve instruction. They are also busy organizing classroom space.

August 15-16, 2013, our teaching staff will be going on an overnight retreat. During this time the teachers discuss many important details for the upcoming school year. We spend time enjoying each other's company in God's beautiful creation. We will work on team-building. Another major project is developing this year's school theme centered on the verses, "Do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body," 1 Corinthians 6:19-20. (More to come on the theme next month)

Our teachers will also receive training in CPR and First Aid before the school year begins.

While we may be sad to see summer come to a close, we look forward to seeing the smiling faces of all our students each day. We look forward to sharing the love of Jesus with each of you.

Blessings,

Mrs. Anderson

#### Reminders

- Supply lists can be found in the scroll or posted on the school's website.
- Teachers will be scheduling home visits sometime during the month of August. Information and forms can be found on the school website so you can have them filled out before the visits. Paper copies are available by request.

#### **Classroom Switch!**

Due to class sizes, the 1st grade classroom will be in the lower-level of the church and the 7th-8th grade will be in Miss Engelhardt's former classroom.
