BASKETBALL TEAMS EXCELL

February 2012

The basketball teams at Silo have enjoyed mixed success this season. Without going into specific wins and losses, we can note that both our fifth and sixth grades teams won the 21st Immanuel Invitational Tournament on January 21. The teams are already at that point in the season where conference and other invitational tournaments are being played. The conference tournament will be played at RCLS on February 4 and the RCLS Invitational Tournament is the weekend of February 17-19.

When you see one of the players or coaches, compliment and congratulate them on a season well-played and for all the hard work and time contributed to the cause.

LAPEL PIN AVAILABLE

Recently the Board of Education approved the purchase of a lapel pin which allows you to make a quiet and proud statement about your church membership. A part of the pin also depicts the anniversary being celebrated this year.

You can pick up your pin at either the church or school office for only \$2.

ENROLLMENT FOR NEXT YEAR OPEN

Very soon we will be asking families to indicate their intent about enrollment for next school year. Do you know someone whom you think could or should consider enrolling their child(ren) at Immanuel Lutheran School? If so, please talk with them about your school and give their contact information to Mr. Pfeiffer for a follow-up contact. The Board of Education anticipates that next year's enrollment will be slightly higher than this year's current enrollment. Currently we have 90 students in grades kindergarten through eight, plus 14 preschool students.

immanuelsilo.org

The above web address is the one you need to use for access to the church and school web site. This site is growing constantly with new documents, calendars, and publications. The "Home" page announcements change often, so we recommend that you bookmark this page and check it often.

NATIONAL LUTHERAN SCHOOLS WEEK

During the week of March 4-10 Immanuel Lutheran School will celebrate, along with all Lutheran schools of our church body, National Lutheran Schools Week. A complete list of activities and opportunities will be included with next month's *Principal's Page*. There will be activities spread throughout the entire week, beginning on Sunday with all classes singing in church at both services.

SECOND AND THIRD QUARTER CHAPEL OFFERINGS

The second quarter chapel offerings have been contributed to Martin Luther School in Joplin, MO. Mr. Pfeiffer hand delivered a check in the amount of \$255 to Jeremy Schamber, principal at Martin Luther, at a recent conference at which they were both in attendance. Martin Luther School was damaged, but not destroyed, in the tornado last May. As a result of their proximity to the heavy damage, their building became the center for community outreach. The leadership of Immanuel Lutheran Church, the parent church for the school, had been praying that God would use them in some way as an outreach to the community. God answered their prayer both faster than they expected and in a way that no one expected.

Third quarter offerings are being combined with other Lutheran schools from the Minnesota South District and are being dedicated to the work that Orphan Grain Train is doing. If you would like to learn more about the work of Orphan Grain Train, please visit their website at ogt.org

We partner with parents to meet the needs of God's children by providing a Christ-centered education.
