National Lutheran Schools Week January 26-31, 2014

At the end of the month Lutheran schools across the country celebrate the privilege of Lutheran education.

This is an exciting week for our staff and students filled with a variety of themed dress-up days and activities.

We'll begin our week by providing special music at both church services on Sunday, January 26. Join us for an afternoon of fellowship, sledding at the Sauer's home. (Rollerskating is the alternate activity if conditions don't work for sledding.)

You are invited to join us for chapel each morning at 8:10 a.m.

We especially invite our family and friends to join us on Friday, January 31, for Grandparent's Day. We will begin with chapel, followed by a quick breakfast before returning to the classrooms. Guests are invited to join us in the classroom to observe and participate in the class activities throughout the morning. Make plans to stay for lunch and visit the afternoon's interactive history museum presented by the children.

The students will be working hard to learn about a historical figure. Each student will be dressed in costume and be prepared to tell you about "themselves."

Lunch reservations must be made in advance. A note will come home in January to sign up.

Grandparent's meals are complimentary.

Adults: \$3.35 Children: \$2.00
