## Crusader Athletics

We praise God for blessing our student athletes with a tremendous soccer season. The Crusaders went undefeated this fall and won the conference championship for the second year in a row.

Did you also know that we had several students participate in cross country? William Funk proudly represented Silo at four cross country meets. His competitive spirit was joined in one meet by Taylor Ties, Mariah Nelson, and Tyler Ferguson.

The volleyball season is underway and the basketball season will soon be at hand.

Thank you to everyone who helps make our athletic programs successful.

## Chapel Offerings

We are nearing the end of the first quarter already. Chapel offerings for this quarter have been designated to go to the St. Charles Resource Center. Over \$150.00 has been collected to date. In addition to monetary offerings, food items are being collected. Twenty-one items have already been delivered to the resource center. We pray that God will use our offerings to provide for the needs of the people in our communities. Food will continue be collected through the month of November, and the annual Mitten Tree will be up soon as another opportunity for us to serve our neighbors.

## Schwan's Fundraiser

We will begin a campaign through Schwan's Cares, part of the Schwan's Home Delivery company. All orders will be placed online. This year orders will be delivered to your home! Watch for more information coming soon or contact one of our school families.
