BUILDING PROJECT

Since last month's edition, flooring installation has begun. Each day we are closer to completion. The tile floors and baseboards have been laid. The gym floor is also down. The next step on the gym flooring is all of the detail work of painting and finishing.

END OF THE QUARTER

The first quarter of school ends on October 31. Parent-Teacher conferences will be on Monday, November 3. We look forward to this opportunity to talk with parents.

CHAPEL OFFERINGS

We have designated our offerings to Will Fowler, a student in a Lutheran school in Alabama dealing with muscular dystrophy and a Military Project through Fort Wayne Seminary. To date, we have collected almost \$500. The students and families have been joyfully giving!

WELCOME BACK, MRS. EBERSOLE!

We are happy to have Mrs. Ebersole back with us after her leave for the birth of Madison. Many thanks to Mrs. Meilner for her dedicated hours of service while Mrs. Ebersole was at home.

ATHLETICS

Soccer – The Crusaders took second place in the conference tournament. All of the students improved greatly over the course of the season.

Volleyball – We are half done with the volleyball season already. We have a high participation level among our students. The Conference tournament is on Saturday, November 8, at RCLS.

Our athletic program is a valuable part of our school. Through athletics the students have the opportunity to learn to work together as teams. They develop social skills, learn about responsibility and goal setting. Our coaches work hard to set a positive Christian example for all of our young athletes.
