## BUILDING PROJECT

One year ago I included a note on the Principal's Page thanking volunteers for clearing the trees to the south of the building. So much has changed since then. While we are still waiting for a few finishing touches, flooring, and kitchen completion, we have greatly been enjoying the new space. The classrooms are wonderful! Teachers and students both enjoy the additional room. If you haven't been able to stop in and see the addition, I encourage you to do so. It is an incredible blessing to our church and school as we work to partner with parents in providing a Christ-centered education.

## ATHLETICS

Soccer – Despite not having a field to practice on here at Silo, the Crusader soccer players are making the best of the season. They have been practicing in Lewiston. They have been competitive in all of their games. Many thanks to our coaches: Rocky and Deanna Sandcork, Tate Ferguson, and Matt Anderson. The season wraps up October 4 with the Conference Tournament.

Cross Country – We have a few brave students who have participated in cross country this year. They have been blessed with the energy and ability to run fast and far! Congratulations to William Funk, Tanner Reed, Kyle Fredrickson, Leann Wegman, Tyler Ferguson, and Sierra Kreidermacher for all of their hard work!

## ROSETTA STONE

Are you interested in learning a new language? Through the school, you have the opportunity to purchase a one-year subscription to Rosetta Stone for \$79. In order to receive this discounted rate, a minimum of ten subscriptions must be purchased. To use the program, you would need access to the internet and a computer with a microphone (either built in or plugged in). Contact Mrs. Anderson for more information. You do not need to be a student to participate.

Dates to Remember
